

## THE CATHOLIC CHURCH IN THE EUROPEAN UNION

### COMECE Internship Programme (Brussels, Fall 2022)

The Commission of the Bishops' Conferences of the European Union (COMECE) represents the Catholic Church in the EU countries vis-à-vis the European institutions. Founded 40 years ago with the mission of following closely the integration process of Europe, it monitors legislative and policy measures that are being taken at EU level and maintains an open dialogue between the Church in Europe, represented by the Bishops' Conferences, and the EU institutions, mainly the Council, the Parliament and the Commission. COMECE's Secretariat has its headquarters in Brussels with a staff of around 15 persons who carry out the day-to-day work. The Secretariat is accountable to the plenary assembly formed by Bishops delegated by the Bishops' Conferences of the European Union.

COMECE offers internships for persons with a keen interest in the mission of the Catholic Church in Europe that want to improve their understanding of the EU policy and decision-making processes and their advocacy skills.

We are currently in search of an intern who will work alongside COMECE's pool of legal and policy advisors. This includes, but is not limited to, Social & Economic Affairs, Culture & Education, Migration & Asylum, External Affairs, Justice & Fundamental Rights, as well as Ethics, Research & Health.
