Book Presentation -

Europe's Dream of Freedom

29 September 2026, 8.30 am

*For Unity and Resilience in the Global Clash of Cultures*

Presentation of the new book by Prof. Dr. Dr. Elmar Nass

"Europas Traum der Freiheit. Für Einheit und Resilienz im globalen Kampf der Kulturen"

At a time of profound geopolitical change and increasing global competition, Europe is challenged to reaffirm its identity, strengthen its unity, and build resilience. In his new book, Prof. Dr. Dr. Elmar Nass explores the intellectual, cultural, and political foundations of European freedom and offers perspectives on Europe's role in an evolving world order. MEP Dennis Radtke hosts the event and together with the co-organiser COMECE a very warm invitation to everyone who is interested to reflect on Europe's values, responsibilities, and future in an increasingly contested global environment.

Following the presentation, participants are invited to engage in a discussion with the author and distinguished guests.
